

## RARE AND SPECIAL COLLECTIONS NATIONAL AGRICULTURAL LIBRARY

### Reproduction Services – Guidelines and Prices June 2011

Rare and Special Collections offers reproductions of images and print materials within its collections in a wide variety of formats. To provide excellent service while preserving historic materials, Rare and Special Collections has established the following guidelines.

- Reproductions will be made only if there is no risk of damage to the original.
- Items requiring special handling such as fragile or exceptionally large originals will incur added charges.
- Rush orders (3-5 working days) occasionally may be arranged. A surcharge agreed upon at the time of the order will be applied.
- Patrons requesting reproductions are responsible for complying with U.S. Copyright Law (U.S. Code, Title 17). No more than 50 pages of any single copyrighted item will be reproduced.
- Add \$5.00 per order for shipping and handling. Large orders or orders mailed outside of the U.S. may require additional shipping charges.
- Because we are required to recover our costs, all prices are subject to change.
