## WIC Formula Database

from the WIC Works Resource System at  
<http://www.nal.usda.gov/wicworks>

The screenshot shows the WIC Formula Database search interface. The main heading is "WIC Databases" and "WIC Formula Database". The search criteria are set to "Search by Category". The search results show 55 records matching the query. The first result is "Good Start Essentials" and the second is "Good Start Essentials Soy".
